Sleeping Arrangements for Toddlers & Preschoolers at Parma Kids

In order to be compliant with NYS regulations we need to offer children in our care a time to nap. We provide this time shortly after lunch (around 1pm). Cots & mats are provided by the school. Parents need to provide a fitted crib sheet, a blanket, and a pillow. These items need to be laundered on the weekends. We will use the toddler &/or the preschool classroom for napping, the room will be darkened and a caregiver will be with the children at all times. The children that do not fall asleep will be given a quiet activity to do until all the other children are awake.

Name of child(ren) in day care:

Date of Birth:
