## Day Care

We recently received our license to add more hours to our program for preschoolers. We have run an academic program for 2-5 year olds since 1980 in different locations. We added a licensed school age program in 2015. In 2016, in our new building, we applied to the New York State Office of Children and Family Services (OCFS) to extend our hours. We serve you under their authority and are regulated by their rules. The regulations and contact numbers are posted on the board outside the office. As we grow and expand our population, we will have a larger capacity to serve our community.

We are open from 6 AM – 6 PM Monday thru Friday. We offer a light breakfast and snacks. Lunches may be warmed and refrigeration is available. If your child will nap, we provide a cot and a quiet place. We ask you to bring a sheet and blanket from home and launder it on the weekend.

We have an academic program in the morning with certified teachers. A sampling of curriculum is listed in this brochure. The AM 4's class is also a UPK classroom and is overseen by Hilton Central School District. Opportunities for outdoor play (weather permitted) and gross motor development in our gym will be given each day. A snack and quiet time will also be available. Conferences will be held each February and additional times may be arranged if you have concerns about your child or their progress.

Staff ratio and class size are regulated by NY State. We look forward to serving your family.
